

Project Submission Guidelines

Deadline: To be shared on
26/08/2025

Overview

- • Every student must submit their project in a structured format.
- • Submissions will be evaluated based on:
 - - Project folder contents
 - - Report
 - - Slide deck
 - - Video presentation
- • The most important part is the video demonstration.

Step 1: Project Folder Submission

- • Create a Google Drive folder named:
 - Project Title + Your Full Name
- • Upload the complete project folder, which must include:
 - - Source code
 - - Datasets (if any)
 - - Supporting files/resources
- • Ensure the Google Drive link is accessible to everyone (Anyone with the link can view).

Step 2: Report, Slides & Video

- • Inside the main Drive folder, create a subfolder titled:
 - 'Presentation & Report'
- • Upload the following items:
 - - Project Report (2 pages, PDF format)
 - - Slide Deck (Presentation file)
 - - Presentation/Demo Video (~7 minutes, MP4 format)

Video Evaluation Criteria

- Your video must include:
- 1. Introduction – Name, project title, chosen track
- 2. Problem Statement – Problem you are solving & its importance
- 3. Project Outcome – Solution built + demo
- 4. Objectives – Key goals of the project
- 5. Methodology – Approach, dataset, tools/technologies
- 6. Implementation – How project was

Step 3: Final Submission

- • Share the main Google Drive folder link.
- • The folder should contain:
 1. Complete project folder
 2. 'Presentation & Report' subfolder
- • Confirm permissions are set to: Anyone with the link can view.

Key Notes

- • Check your folder carefully before sharing.
- • Reports must be concise (max 2 pages).
- • Video must be clear, structured, and within 7 minutes.
- • Evaluation will mainly depend on your video demonstration.
